

YOUR CAREER IN AVIATION COULD TAKE OFF WITH A FULL SCHOLARSHIP!

C&L Aviation Group is offering one full-tuition scholarship to pursue an Airframe and Powerplant (A&P) License at Mohawk Valley Community College in Rome, NY. With the license in hand, you will be FAA approved to work on aircraft and start your career in the field of aviation.

Spend 14 months gaining hands-on experience with real equipment and become a licensed A&P Mechanic at MVCC.

When you graduate, stay close to home and join the team at C&L Aviation Group in Bangor - with no student loans and an exciting career in the aviation industry.

C&L Aviation Group is offering one lucky student the opportunity to receive a **full-tuition scholarship** in the amount of \$24,000 to attend Mohawk Valley Community College in Rome, NY.

You'll pursue an **Airframe and Powerplant License** and upon graduation be able to live and work close to home when you start your career in aviation at C&L.

**If you've been thinking about a career in aviation,
don't wait to apply!**
